mule shoes made of soft leather, ornately designed silk scarves, and scissors shaped like birds. Absorb the laid-back ambience, and you may walk out with classic clothes ready to be transformed into the latest fashion statement.

**7 1 P.M. ► SLICE OF GREENERY**

Named best pizzeria in NYC by TripAdvisor, Juliana's Pizza, located on Old Fulton Street, is the perfect place to pick up some coal-fired pizza, with large pies ranging from \$23 to \$29. To escape long lines, order pizza to-go and head to one of DUMBO's various free parks, which provide visitors a place to dine and take in the view. The Max Family Garden, adjacent to theater and music venue St. Ann's Warehouse, provides chairs and rocks for visitors to sit on amid Virginia sweetspire and young trees. Enjoy pizza among the brick walls that encase the garden.

**8 3 P.M. ► A WALK IN THE PARK**

Observers at Pebble Beach, deep within Main Street Park, behold tranquil views of boats cruising lazily down the East River. Visitors lounge about contentedly on scattered wooden planks, logs, and concrete steps while looking at the Brooklyn and Manhattan Bridges and the city skyline. The gentle rippling of the water provides a moment of tranquility in the midst of the lives of busy city-goers.
